

Hello, it is a pleasure to serve as the assistant principal of CMS. I am proud to say I am a product of Haywood County Schools. I grew up in the Bethel area, and graduated from Pisgah High. I hold a bachelor's degree from UNC-W in Elementary Education, and a master's degree from Gardner-Webb in Executive Leadership Studies. I hold three teaching licenses in Elementary Education, Middle Grades Science, and Middle Grades Math. Before my role as assistant principal, I taught middle grades math and science, where I taught seventh and eighth graders throughout my teaching career. I am currently pursuing my doctoral degree in Educational Leadership from Gardner-Webb.
